KILLS DOCTOR AND SELF
ON EVE OF WEDDINGWoman Shoots Physician and
Commits Suicide.

Dr. George Murray Stuart, one of the most prominent young physicians of the fashionable East Liberty district in Pittsburgh, was found shot dead in his apartments at 5604 Penn. avenue.

Beside him lay the body of Edna Wallace, a middle aged woman. A shot through her right temple was apparently self inflicted, after she had shot and killed the doctor. A revolver lying by the woman's side strengthens the police in this theory.

The double killing occurred almost on the eve of Dr. Stuart's marriage to a Virginia society woman.

Edna Wallace was the proprietress of a resort at 222 Lambert street, and the police believe that jealousy of the doctor's approaching marriage prompted the double tragedy. The marriage was to take place August 10. The woman's body was removed to the morgue and that of the young physician was turned over to an undertaker.

Both bodies were found in bed. The police believe the shooting occurred late Sunday night or early Monday morning.

The discovery of the bodies was made by Dr. George W. Ely, a friend of the dead man, who, becoming alarmed at Dr. Stuart's absence, broke into his apartments.

MULE WRECKS MOTOR CYCLE

Kicked Machine and Riders Over a Steep Bank.

Clyde Jenness took his sweetheart for a ride on a motor cycle at Logansport, Ind., on Tuesday, and seeing a mule standing in the road, let in the gasoline and opened wide the exhaust. "Watch him run," he said, but when the mule did not run Jenness turned to pass the animal, fearing a collision. Just as he was opposite the mule, it let fly with both feet, striking the motor cycle amidsthips and hurling the riders over a steep bank. The machine was broken to pieces and the riders were badly injured.
